June Consultation to delegate decisions to Clerk as per below:

20/0158 Council Meetings

In light of the Covid Legislation giving the power to hold remote meetings not being extended by Government, The Chair presented the Council with three possible options to allow the functions of the Council to continue; via face to face meetings, which were not deemed possible or acceptable to members on the whole, via 'Hybrid' meetings, which would involve a lot of organisation and a high cost in purchasing new technology, for hopefully a short period of time, or via Delegation of powers to the Clerk, following Zoom discussions of councillors which would not be official Council Meetings.

RESOLVED That the Council will delegate decisions regarding the effective operation of the council to the Clerk, following consultations held via Zoom, which members of the public will be invited to attend remotely. These will remain in place until such time it is deemed necessary and safe to return to Council meetings in person.

This decision is also subject to any further changes in the Covid regulations which can be reviewed at the May Full Council (ACM) meeting
